

# New Puppy Supply List:

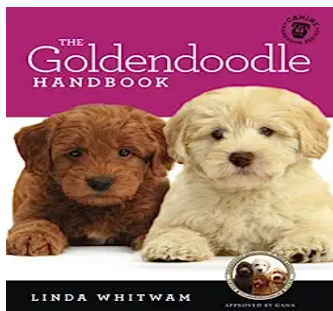

*Congratulations on becoming members of the Pleasant Lake Doodles Family! Below is a list of some of our favorite products. Please let us know if you have any questions!*

1. Life's Abundance All Life Stages Dog Food (see link on website). You can purchase a bag or get a bundle pack which includes several products for bringing your puppy home.

2. Collar- & Leash: I prefer an embroidered collar w/ phone number vs dangling tag.
3. Dog Crate: I like the Pet Lodge Wire Crate that has a divider you can put in so your young puppy has a smaller space & won't be as likely to pee where it sleeps. ([Link Here](#))
4. Food Dish: I prefer stainless steel or ceramic dishes. We use the Neater Feeder to keep the floors free of splashes.
5. Brush & metal comb. A pin brush is nice for puppy coat. My favorite slicker brush is the Chris Christensen Slicker brush in coral-spendy but an awesome brush, especially for curly coated doodles! ([Link Here](#))
6. Nail clippers & styptic powder ([Link Here](#))
7. Bitter apple spray-chewing deterrent (optional)
8. Life's Abundance All Life Stages dog food or could get a bundle pack.
9. NuVet nutritional supplement (see link on website)
10. Small training treats
11. Ear Cleaner-consider using once a week, Life's Abundance Ear Cleaner
12. Chew toys-Nylabone & Benebone are 2 of our favorite brands
13. Shampoo-Life's Abundance Dog shampoo smells incredible & your puppy has been bathed in it
